

4007 Tuff Tainer - 24 Compartments (Includes (12) Zerust dividers) Review-2021

[Read Customer Reviews](#)

SMART DIVIDER SYSTEM: This tackle storage box offers customization options with 12 adjustable dividers that can create up to 24 different compartments. This ensures quick compartmentalization of your storage space.

ZERUST ANTI-CORROSION TECHNOLOGY: Exclusive VCI formula infused into the dividers releases a corrosion inhibiting vapor that forms a protective layer on metal to stop rust in extreme marine environments.

LASTING RUST DEFENSE: The proprietary Zerust formula inhibits electrochemical reactions that cause rust & corrosion. Provides up to 5-years of protection to keep tackle rust free season after season.

EASY IDENTIFICATION DESIGN: The Tuff Tainer Divided is made with a translucent plastic lid and base for convenient identification of the contents inside, even when closed. Designed with the fisher in mind for quick and organized baiting.

SPECIFICATIONS: This Tuff Tainer fishing tackle box measures 11" L x 7.25" W x 1.75" D. Includes 12 Zerust dividers. Proudly Made in the U.S.A. Tuff Tainers

The foundation of Flambeau tackle storage is the Tuff Tainer with patented anti-corrosion Zerust protection infused into the dividers.

About Flambeau Outdoors

BUILT TO FISH. BUILT TO LAST.

As a family owned company from its foundation in 1947, that very philosophy remains the backbone of our brand and serves as the origin story of our logo—shared memories hunting and fishing by the Sauey family under sunrises over the Flambeau River. Over 73 years later, our company remains devoted to providing quality fishing products that are more than just standalone tackle storage solutions—we provide a legacy as a heritage brand that stands behind its product as the sportsman's and sportswoman's constant partner in the outdoors.
