12-pack of lubricant sheets sharpen, clean, and lubricate shredder blades

Helps prevent paper jams; reduces static dust and buildup for optimized efficiency

Easy to use—just like shredding a regular piece of paper; no messy oil needed

Compatible with all paper shredders (with 8-9/16-inch or larger paper-entry width)

Measure 6 by 8-9/16 inches each

**Simple Blade Maintenance**  
Designed to keep paper shredders running smoothly, these handy sheets conveniently sharpen, clean, and lubricate shredder blades.

**Easy to Use**

Simply run a single sheet through the shredder, just like when shredding a regular sheet of paper (no messy oil needed).

**Enhanced Shredding Efficiency**

The lubricant sheets help prevent paper jams and increase overall shredding efficiency by reducing buildup and static dust from the blades.

**Versatile Compatibility**

The sheets can be used with any paper shredder that has a paper-entry width of 8-9/16 inches or larger.
