Start your sunny season with the comfy and stylish Betula® Licensed by Birkenstock® Mia Soft. Smooth synthetic leather upper.

The fabric-lined, contoured footbed will mold to the shape of your foot, creating a custom footbed that supports and cradles your each and every step.

Raised toe bar is designed to encourage the natural gripping motion of your feet, exercising your legs and aiding circulation.

Neutral heel profile and deep heel cup keeps the natural padding of your foot where it belongs - under the heel - distributing your body weight more evenly. Ankle strap has a buckle closure to give a custom fit. Flexible EVA outsole offers lightweight, shock absorbing support with lasting durability. Heat Warning - Cork footbeds or EVA soles can be damaged by exposure to concentrated heat. Do not leave your footwear in direct sunlight or in closed cars on warm days.
