Rubber sole

Breathable mesh: using breathable flying woven mesh which not only ensures its light and fashionable, but also ensures the comfort of the product. Let you not feel heavy after fatigue work. Comfortable lining. Moisture wicking mesh lining for maximum airflow and breathability to prevent foot odor. These work shoes are light and comfortable, keeping your feet comfortable even after a long day of work.

Lace-on textile slip-on design provides secure fit and comfort. The padding on tongue and collar provides extra comfort.

The non-slip rubber sole adds anti-slip, flexible cushioning and provides side-to-side stability during movement. Flex grooves on the outsole increase flexibility.

Applicable occasions: jogging, running, fitness, walking, outdoor and other sports. Breathable Mesh Upper

Breathable knitted mesh upper, light and breathable, can effectively reduce foot sweating and prevent foot odor problems

Non-Slip Sole

Non Slip Sole -- The pattern on the bottom of sole features flexible grooves, which strengthen the shoes ability of anti-skid and grip.
