

Eye Mask for Dry Eyes - Moist Heat Microwave Activated Warm Compress, Relieves Sty & Pink Eye Review-2021

[Read Customer Reviews](#)

FAST, EFFECTIVE & COMFORTABLE: With Hydro Heat technology this eye mask absorbs moisture from the air and releases it as clean moist heat from the air and releases it as clean moist heat.

SOOTHING RELIEF: It provides natural hydration and moisture for the most sensitive area of your face and relieves puffy eyes and styes.

SAFE, WASHABLE & REUSABLE: The eye pad is reusable and hand washable and offers maximum comfort.

EASY TO USE: Have it ready in a matter of minutes - just heat it in the microwave on high for up to 20 seconds and it's ready to go! Place the mask over your eyelids for up to 10 minutes.

STORAGE POUCH: A convenient storage pouch helps keep your mask clean and provides a protective place for you to store it when you're not using it. A warm sensation provides a soothing sense of relief that helps you relax and refresh.

BENEFITS AND FEATURES:

• Heat Therapy • Microwave Activated • Easy to Use • Quick and Easy • Soothing and Rejuvenation • Reusable • Washable

• Hook & loop Elastic Strap • Doesn't Support or Fungi Growth • Doesn't Dry Out or Develop Odors • Blue Silky Drawstring Storage Pouch

QUICK AND EASY TO USE Getting instant relief is quick and easy with our heat compress. Just heat it in the microwave on high for 20 seconds. Remove the mask from the microwave and test the temperature with your fingers. Don't heat for more than 30 seconds. Place the mask over closed eyelids for up to 10 minutes or as recommended. A convenient storage bag makes it easy to store and carry. Take it with you during travel and using it during long hectic flights. It's the perfect way to induce sleep and relax.

Its unique, super soft material composition leaves a fresh, clean, odor free compress every time. With an elastic band and Hook & Loop closure you can be sure this compress will not slip or move out of place. Use the compress daily for a comfortable and soothing experience.

The soft gel beads heat quickly and retain optimal temperature for long lasting relief. Review 2021, feedback 2021, promo code, discount code 2021, buy, picture, description, sale, price comparison, cheap, cheapest, value for money.
