FENLERN Work Shoe

FENLERN assesses the unmet needs of those who work in the most demanding environments and then develops solutions that deliver ultimate comfort, durability and protection all day long from work shoes.

FENLERN work shoes are more fashionable and novel than ordinary work shoes, and can be used not only for factory work in the construction industry but also for outdoor sports and daily life.

FeaturesAnti-smashing, Non-slip, Air Cushion

Lightweight: As light as casual sneakers.

Stylish Design: The style of our sneakers is much more fashion and novel.

Anti-smashing

Steel toe cap protects the toes and provides enough space for them.

Puncture proof

Anti-puncture midsole has toughness, puncture resistance, abrasion resistance and softness.

Comfortable

Breathable mesh for Moisture wicking and superior comfort.

Detachable and cuttable memory insole meet your customization needs.

Reinforcement part

A fixed patch is added to the shoelace closure, which is not easy to break and is more durable.
