

Hipsterkid Polarized Kid Sunglasses with Strap for Babies, Toddlers, Girls, Boys, Warranty Protected, BPA Free, Ages 3-6, Black Review-2021

[Read Customer Reviews](#)

POLARIZED: So infants, babies and kids can all explore a big, bright world without damaging their eyes.

BENDABLE: Our kids sunglasses are made from the same flexible material that's used for teething. Chew on that.

FASHION STATEMENT: All styles are designed to be gender neutral. They're equally cute and cool on a boy or a girl!

SAFETY FIRST: 100% UVA and UVB Protection to protect your children's eyes from the sun. BPA, Phthalate, and PVC free. Shatterproof Lenses too!

EASY REPLACEMENT: Hipsterkid sunglasses are guaranteed. Break 'em, drop 'em, lose 'em, it doesn't matter! To redeem your free replacement, sunglasses must have been purchased within the past year and be registered on the Hipsterkid website. (US orders only; shipping not included)

Sunglasses Kids Want to Wear--That You Feel Good About

Kidâ€™s sunglasses so fly youâ€™ll wish they were big enough for you! With 100% sun protection including polarization, Hipsterkid sunglasses give kids the freedom to explore the big, bright world without damaging their eyes.

The Hipsterkid Promise

Break it. Drop it. Lose It. Weâ€™ll replace it. Weâ€™re serious! 100% Protected.

We know the struggle is real. Having a replacement plan you can count on is one less thing to worry about. Just register your purchase on our website and youâ€™re covered for a year!

Sun Protection You Can Trust

We started out making sunglasses for our own kids, so you know that safety and protection are our first priority. Hipsterkid sunglasses provide 100% sun protection, shielding eyes from UVA and UVB rays with polarized lenses. Since they are also BPA, Phthalate, PVC free, you know you can feel good about them.

Picking the Perfect Size

To get the perfect fit, please check our sizing guide to decide between our 0-2 and 3-6 ages. Every child is built differently, so make sure to double check dimensions, especially if your baby is on the age line. Reference the conversions below for inches:

10mm = 1/2 inch 38mm = 1 1/2 inches 43mm = 1 7/8 inches 110mm = 4 3/8 inches 120mm = 4 3/4 inches

Features That Matter

Your kids go ham on style--and hard on their accessories. Thatâ€™s why weâ€™ve built in features that keep it together so you donâ€™t have to:

Strap to keep glasses on and prevent loss Flexible frames that resist twisting and tension Shatter resistant lenses to guard against breakage

Blue Light Glasses

Wayfarer

Aviator

Protection:

30% Blue Light Reduction, 100% UVA/UVB
