All-day sun protection for head, neck, and eyesâ€”Our full-coverage, wide brim sun hat keeps baby covered all-day, reducing sunscreen application in those areas.

UPF 50+ sun protectionâ€”Our UPF 50+hats offer the highest sun protection available, blocking 97.5%-99+% of harmful UV rays.

Lightweight, quick-dry material keeps baby comfortableâ€”Our baby sun protection hats are made from soft, microfiber material with a wicking liner to pull moisture away from skin to keep baby cool.
