A Great Sound On The Go!

The iFox iFO12 Bluetooth Shower Speaker is a small, sturdy and compact speaker that can be used indoors or outdoors thanks to its portable design. It is also very light so you won't have problems transporting it – it will easily fit your bag or backpack.

When it comes to music, the right song can power you through the day, make you feel happy, bring back great memories, and lift your spirits. From kitchen to bath or shower, yard to pool, picnic to beach or office it doesn't matter... the iFO12 is sure to enhance your experience and increase the fun & excitement in your day!!

A Quick Bluetooth Connection To Any Device

The iFox Portable Waterproof Bluetooth Speaker brings a fast and stable connection. When fully charged it will provide you up to 10hrs of play time. The pairing process is easy and the speaker is compatible with all Bluetooth devices such as iPhone, Android, iPad, iPod, Mac, smartphones, computer, tablets and Alexa devices. The speaker can be used not only for listening to music but also for answering calls without using your smartphone

Certified IP67 - 100% Waterproof

The iFox shower speaker is great around water as it's not just water resistant it can be fully immersed in water up to 3 feet. We took care so you can enjoy your shower, have fun with your

friends by the pool or on a boat

Easy Hands Free Calling

Our time is getting busier and our lifestyle and business tasks require us to be available all the time. It has become unusual to ignore a phone call or to be unavailable. This is why waterproof Bluetooth speakers like the iFO12 with an integrated microphone is great. It enable you to enjoy your free time but still be able to answer calls without even reaching for your phone. You just have to press a button and the speakerphone is activated, and when you end your call, the music will continue playing like nothing happened.

An Amazingly Versatile Speaker For All Occasions

Shower/Pool Party

iFOX iFO12 bluetooth shower speaker is waterproof and it can be used in the shower thanks to convenient detachable suction cup. You can easily attach to glass, ceramic or any other smooth surface. It means you can enjoy a pool party / boat party with your friends and not be afraid of water splashes.

Picnic/Hiking

If you need your speaker to be significantly louder than your phone and you are planning to use it when camping or hiking or having a picnic with someone If you want to enjoy your favorite music on the go then the iFOX Bluetooth waterproof and dust proof speaker is the best option for you.

A Great Gift

The iFO12 Bluetooth Shower Speaker is a truly unique and memorable gift for anyone - young or old - who loves their music and values their freedom. It's ultra portable, easy to use, certified waterproof and built to last. The recipient will be grateful when they unwrap the iFO12 speaker, but will REALLY thank you when they use it.
