

MOUNTUP Dual Monitor Desk Mount Stand, Full Motion Computer Monitor Arm Mount for 2 LCD Screens up to 27 Inch, Dual Monitor Stand with C-Clamp and Grommet Base MU0002 Review-2021

[Read Customer Reviews](#)

COMPATIBILITY: Dual monitor mount is designed for most 13" to 27" computer monitors and LCD LED OLED flat screens with VESA pattern of 75x75mm and 100x100mm, each arm supports a maximum weight of 17.6lbs.

FULLY ADJUSTABLE: Each arm is fully and independently adjustable. The monitors can be rotated 360° for landscape or portrait orientation. You can freely adjust the height and tilt 125° and swivel 180° to find the right viewing angle and optimal ergonomic position.

EASY INSTALLATION: Easy assembly with interchangeable C-clamp or grommet bases.

Detachable VESA plates make it simple to attach or remove your monitors. Installation with clear instruction takes less than 15 minutes from start to finish.

FREE UP YOUR DESK: One solid base supports two monitor arms, helping you save space and reduce clutter. Cable clips keep cables organized and protected. Just enjoy your working, gaming or viewing hours in a more comfortable environment.

PURCHASE GUARANTEE: Our dual monitor mount is backed by an 3-YEAR WARRANTY! Feel free to contact us for any questions.**CHOOSE MOUNTUP MONITOR DESK MOUNT TO ENHANCE AND SIMPLIFY YOUR LIFE**

MOUNTUP is a manufacturer of high quality monitor mount with over 15 years manufacturing experience. Each product is sleekly designed, rigorously tested for durability and assembly instructions have been standardized for simplicity from start to finish. Our monitor stand series build robust and are constructed for ultimate versatility. **MOUNTUP** dual monitor stand enables instant personalization of the workspace for improved comfort, health, and productivity.

MULTIPLE ADJUSTMENTS

This dual monitor mount can be changed the height, lateral position, angle, and depth. Its ball-joint structure allows smooth, effortless rotating and positioning for any direction. The computer monitor stand allows you to work in a healthy posture by setting the monitor at an optimal distance and height. Say goodbye to back and neck strain!

Swivel the computer monitor mount 180° at four different joints to show display to clients or colleagues. Tilt the screen 35° upward and 90° downward to find a more comfortable viewing. Easy rotate 360° for quick swapping between landscape and portrait orientations. The dual monitor arm can be raised or lowered along the center pole. Freely adjusting height for an optimal ergonomic position.
