

Mueller 255 Lumbar Support Back Brace with Removable Pad, Black, Regular(Package May Vary) Review-2021

[Read Customer Reviews](#)

CONCENTRATED SUPPORT – This back support brace for women and men has a removable lumbar pad that cushions and compresses the lower back and can be removed when less back support is needed.

CUSTOM FIT & COMPRESSION – This back brace for lower back pain features a double layer design that provides a custom fit for both women and men. This back support brace allows for adjustable compression to the abdomen and lower back, helping to provide relief from lower back pain.

FIRM SUPPORT & STABILITY – This lower back brace has 4 flexible steel springs that conform to your lower back. They provide firm lower back support, stability and limit unwanted back movements that can cause lower back pain.

BREATHABLE – This back support brace for lower back pain is made of breathable materials making it comfortable to wear all day long.

TRUSTED BRAND: Mueller Sports Medicine has been a trusted leader in sports medicine for over 60 years and is committed to helping you reduce pain through our popular line of back braces and supports.

Removable lumbar pad cushions and compresses the lower back for concentrated support

Extra stability from flexible steel supports along spine

Mueller Lumbar Back Brace
For those who experience lower back and lumbar pain, the Mueller Adjustable Lumbar Back Brace offers maximum support with firm, adjustable compression while using breathable materials for optimal comfort while helping to improve lower back pain. Featuring a removable lumbar pad that cushions and compresses the lower back for concentrated support, you can customize your experience to offer different levels of support by using or removing the lumbar pad.

*Helps relieve lower back pain while providing support to strains, sprained, and aching backs.

*Provides support to weak, sore or injured backs.

*Provides protective support to the back.

*Reduces unwanted movement in the back.
